

GREATER NEWARK ALLIANCE for INTERGRATION and DIGNITY

April 29, 1960

Dear Friend:

The community-wide meeting scheduled for May 22, 1960, at 8 P.M., at the Mosque Theater in support of the Sit-In Students and the struggle for freedom in the South, gives every indication of being the most important event in this area in years. Expressions of enthusiastic support have been pouring in.

The final planning meeting of cooperating organizations and individuals is being held on May 9, 1960, at 7:45 P. M., at the ILGWU Office, 3 William Street, Newark, N. J.

We urge you to attend this meeting yourself, and to the best of your ability enlarge the scope of this committee by soliciting additional representation from social, economic, political and religious groups in your community as you can possibly contact.

Very truly yours,

Mrs. Irving Rosenberg
Chairman

Rev. Homer J. Tucker
